PARROT OR DRAGON TULIPS

Prices quoted are for orders placed before July 15, 1916 only. Six bulbs will be sold at one half the price of a dozen, 25 at one fourth the price of a hundred, and 250 at one fourth the price of a thousand.

The Parrot Tulip, although one of the most desirable, on account of its wonderful colors and ragged outlines, will only give about 80% blossoms, and differs in this respect from the other Tulips listed here. The bulbs are so cheap and the flowers so interesting, that you should plant them generously in a sunny location, nevertheless.

Admiral de Constantinopel. Fine Red.			
Cafe Brun. Brown and yellow striped.			
Cramoisi Brilliant. Carmine.			
Gloriosa. Yellow and orange.			
Lutea Major. Very showy yellow.
